Syracuse University Alumni have a rich tradition in the Western New York area as one of the oldest SU Alumni Clubs in the country. The Syracuse University Alumni Club of Western New York (SUofWNY) is a volunteer-run organization dedicated to strengthening the ties between SU Alumni and the University. With more than 2,500 SU graduates and current students, and countless parents, families and friends in Western New York, there are many opportunities to network and socialize with others who share memories and a fondness of SU. Activities include a variety of social, recreational, cultural, educational, and community service events throughout the year.

SUofWNY has supported scholarships for outstanding SU students from Western New York area each year and support for these scholarships continues to grow. We currently have two scholarship funds established for Syracuse University, the Fred E. Machemer Scholarship Fund and the Buffalo Endowed Scholarship Fund. Together, these funds provide approximately $8,000 each year to SU students from the Western New York area.

In recent years, the Club has continued its most popular events and successfully added a number of new ones. Popular events held each year include the SU Holiday Brunch, Game Watching events, volunteering for National Orange Day, the Annual Fred E. Machemer Scholarship Banquet, the New Student Send-Off and our annual summer picnic. Popular seasonal activities have included SU football & basketball excursions to the Carrier Dome & rival schools, theater nights, networking happy hours, and others. We are constantly expanding and looking for new and exciting ways to engage our SU family.

Syracuse University alumni are proud of our rich tradition in the Western New York region and the great Alma Mater that brings us all together.

**MEMBERSHIP INFORMATION:** Getting involved is a great opportunity to meet fellow Alumni and give back to our local community. Dues-paying members receive discounted invitations to all events held throughout the year and other benefits. Annual membership dues are the only source of the Club’s operating budget and are essential for funding the various events that we sponsor. It's important to know that a vast majority of annual club dues goes to support our club's annual student send off in summer and providing scholarships to students from Western New York attending Syracuse University. So join us for fun events, networking, friendship and service.
